YOUR  
MIND GATE  
TO SELF  
ACTUALIZATION  
IN GREEK SCENERIES

This summer live an immersive experience in stunning, monumental Greek sceneries carried away as the sun sets over the Aegean sea.

**Supraconscious live to head-phones “silent” guided meditation** is a self explorative experience that takes place in iconic Greek landscapes, archaeological sceneries and unique worldwide beaches.

The artist and motivational mentor Maria Olon, in her live improvisational meditations, transports audiences on a journey that is at once expansive and transformative, inspired by mystical traditions, the arts, neuroscience, theoretical physics and the priceless discovery of the “moment” that transform the experience in a state of serenity and clarity, with the spirit rhythm to carry it forward into your life.

Get ready for a magical journey as Maria’s guiding beamed directly into your mind while you unite with miraculous natures surroundings.

Join us for a transformational sunset experience where the physical being, senses and mindfulness meet. Join us this summer as we explore the theme of LOVE actualization through meditation and endow with the possibility of managing at will divine aspects.

Start living focused on personal transformation and self actualization to relieve overthinking and stress, unblock flow and connect with the whole, let be of controlled emotion, experience in full “ 5 senses exploration” and live a life of purpose. Try evocative and life-changing guided meditations covering abundance, mindfulness, and inner peace that combine supraconscious multiple techniques.

Activate self healing, inspiration, creativity, relaxation, higher consciousness through your personal intuitive perspective in life.

Activate your brain with the 5 meditative sound frequencies of transformations, nature, relaxation, rebalancing positive energy. Uplevel your life physically, emotionally, mentally and spiritually while you “be” come part of the world, community and nature.

Listen as Maria dives deep into the knowledge fields and lessons that have evolved her and helped her to achieve success in business and her personal life.

*“You are every drop of the ocean but also the ocean in its entirety, where the viewers immerse themselves to discover their own lost inner treasures”*

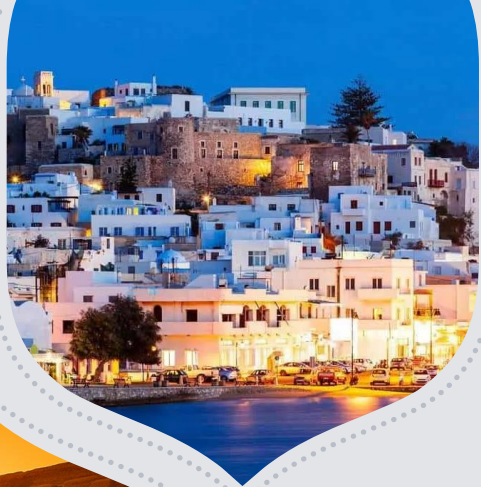

Observe yourself and your magical microcosm through Supraconscious thematic meditations such as 'the Universal Self', 'Nature within', 'Walk in Space', 'Healthy Ego', 'Shades of your Soul', 'Hologram', 'Hidden truths', 'Freeze-the-Moment', 'The Observer', 'Consciousness Meditation', 'Spirals of Light', 'DNA', 'Dimensions' and many more through the energy of the surrounding, action and stillness, space and time.

Through supraconscious meditative reflection and transcendence, master new approaches of language's weight, form, shape, color and interpretation, body's inspirational stillness in movement, mind's clarity, and heart's joy.

This summer we chose the imposing island of Naxos, few of its magnificent historical spots that are praising Greece heritage to the world and its natures and sea landscapes that are energetically unique. While discovering our self beyond our self, we ll discover the island too.

The event will take place every day in the sceneries of your choice according to the program.

Check-in begins at 8pm with a short introduction and intention-setting.

\*Don't forget to bring your favorite beach supplies and warm layers as it can get chilly when the sun sets.

This event *will* sell out so don't wait to purchase tickets!
